## ***Message from European Judo Union President***

Dear friends!

On behalf of the European judo Union and with warmth in heart, I welcome participants and guests of the Individual and Teams European Championships Veterans.

I want to express many thanks to the organizers of the events and have no doubt that the championships will be held at a highly professional level.

I consider these competitions as an opportunity for closer communication, for friendship and mutual understanding. Judo veterans come from many countries to meet each other en toute amitié, in a big family.

Through Judo, many participants of these Championships have achieved great results in all aspects of life. This is a very good example for the young generation how judo can influence them in a positive way.

I am very proud that our sport helps Judokas to achieve great results in real life, develop physical and spiritual qualities, and improve friendship among the different countries. All of you are perfect representatives of such influence.

European Championships Veterans are taking one of the leading roles in Judo relations in Europe and I am thanking all the participants for all they did and are continuing to do for Judo.

With best wishes for all the members of our strong and united Judo family.

Sergey Soloveychik  
President  
European Judo Union

## ***Message from Host Country President / Mayor***

Dear friends,

On behalf of the Italian Judo Federation and the Organizing Committee, I would like to welcome you to Italy and to the City of Lignano for the European Championships 2009 for Veterans.

It is a great pleasure for our federation to organize this very important championship for veterans. The Organizing Committee will do its best to fulfil all expectations of all European countries.

Joint individual and team competition imposed a new challenge on organizers. With respect to their efforts, the Organizing Committee was doing the best in preparing these important championships, to fulfil expectations of all European delegations and veteran judokas.

We are hoping that all athletes, coaches, referees and supporters will have a very successful championship and that they took the chance to visit some interesting points outside of judo. After the tournament we are offering you a common farewell-party.

The Organizing Committee and the Italian Judo Federation hope to achieve not only a high organization level, but also create a friendly and inspiring atmosphere of this event in Lignano Sabbiadoro.

I wish you all the best for these championships.
